

ABOUT US

Beer Architectural Group is highly esteemed for its custom residential designs and innovative approach to commercial developments. They not only specialize in custom residential homes and commercial, but multi-family homes, industrial, renovations, additions, interiors, and investment real estate as well. **Beer Architectural Group** has been honored for their bold and beautiful designs by the likes of New York Spaces Magazine, Dream Homes of New Jersey, Pella Windows, the National Association of Remodeling Industry, the National Builders Association, and numerous other trade publications. **Beer Architectural Group's** vision and expertise in unique design has been demonstrated throughout the past quarter century with truly timeless style and architecture.

WORKING WITH BEER ARCHITECTURAL GROUP

Pre Design

Discuss the scope of services to be performed, as well as identify project budgets and time frames.

Design Phase

Review various floor plans, evaluate the exterior of your home, and obtain preliminary construction prices.

Construction Drawing Phase

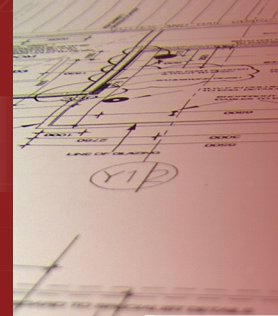

Architectural and construction documents to obtain construction costs and building permits.

Interior Architectural Package

Interior finishes, design, detail, and specifications.

Site Design Package

Site walls, decks, terraces, driveways, walkways, pools, porte-cocheres, and cabanas.
